

Shap Road – Our Values

Our values at Shap Road are to provide everyone with a **FAIR** opportunity to be able to reach and fulfil their goals....

Freedom

Creating an environment where everyone has the **FREEDOM** to make their own choices, no matter how big or small.

Aceptance

Ensuring that everyone feels an **ACCEPTANCE**, whether this is in their own self or enabling them to become an active member of the community in which they live.

Independence

Promoting as much **INDEPENDENCE** as possible. This could be in their home life, work experience or life skills. We see no limits to a person's capabilities.

Relationships

Supporting every person at Shap Road to build **RELATIONSHIPS** that are meaningful and unique to them. This could be with family, friends or something more, the choice is theirs.

These values help make us the best we can be
