Reward Trip to Burlish Top

We did a walk on Burlish Top with sausage rolls and pringles, and saw some of the buildings that used to make the military camp. Students enjoyed the mixed heath and woodland and got to meet a couple of dogs (and their owners). Students were fantastic role models, socialised really well together and were curious about the reserve.

Birthday and Christmas Card Competition

All pupils participated in a birthday card and Christmas card competition. These cards will be used from the school for staff and pupils' birthdays and to be given out at Christmas.

Our staff definitely wanted to get out of CNES on Friday after the gruesome bush tucker trials they had been nominated to do by the students. Always a fan favourite by our cohort.
