

WOW WORK!

Here is one of our primary students enjoying digging for buried treasure. This student engaged well in the activity and communicated with our THRIVE practitioner well during the session.

This is our new school menu for Spring Term 1!

If you have any queries in regard to the menu and about your child, please contact their form tutor.

Please see the kitchen with any allergies or dietary requirements

WEEKLY

WHAT'S HAPPENING AT CNES?

Dates

Monday 20th January – World Religion Day Celebration and Q&A Session

Thursday 23rd January – National Handwriting Day

Friday 24th January - International Day of Education

During social interventions, students were asked to create a “let it go” plate to finish off the year. They wrote on their plate any negative feelings or thoughts from 2024 they wanted to leave behind. Last week students were given the opportunity to add any more feelings or thoughts to their plates during their sessions. On Friday, students were all given the opportunity to burn their plates in the firepit to say goodbye to their negativity from 2024. Students then toasted marshmallows and enjoyed S’mores for a ‘sweet’ start to 2025!
