

# WOW WORK!

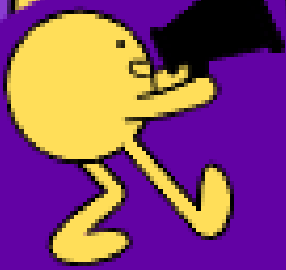

During the social intervention sessions, the students have participated in discussions about conflict, the strong emotions associated, and how to manage these. As part of these sessions, the students have made their own sensory bottles, filled with orbeez and glitter to use as a calming strategy.

## National Handwriting Week

One of our year 8 students had to write a Gothic Horror story in his best handwriting (which is always beautiful). We think you will agree he did a wonderful job. He also had to proof-read and edit his work which he did to the best of his ability.

Wednesday 29<sup>th</sup> January – Chinese New Year Celebrations in Intervention sessions.

## World Religion Day

To celebrate World Religion Day, pupils had the opportunity to participate in a Question-and-Answer session with the local Lay Minister from St. James' Church in Hartlebury, and a retired vicar who had previously delivered services at the same church. Pupils were attentive, mature and asked well-thought out and philosophic questions to the guest speakers. The Q&A session was a huge success, and we look forward to holding another session in the future.

## International Day of Education

In order to celebrate International Day of Education, all pupils have been gifted a pencil case containing the tools to help them in their lessons, an affirmation card and a sweet treat for their fantastic efforts.
