WOW WORK !

Our 6th Formers have been running their annual Enterprise Project. This involves setting up a small business from scratch with the aim of planning, creating, marketing and selling items for charity. This year the items have been Christmas decorations in the form of button Christmas trees and small, decorated wreaths to hand on the Christmas tree.

! The Ultimate Epic Battle !

This is a drawing as a representation of drawn by one of our Year 10 pathway 2 students. Our student is very proud of the work they have produced, and staff are very proud of him as well. There has been discussion of this student producing this as a mural for the school. What a huge achievement! Well done.
