

Great school news of the week.

## NEWSLETTER

### RR3:

This week they have made a traditional 'Jamaican' curry – developing their understanding about food from different cultures.

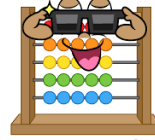

### KS4:

This week our KS4 pupils have been completing mock exams in their core subjects. We are proud of their effort across a very intensive period for them. They have coped admirably, demonstrating great resilience.

### English challenge:

How many words can you spell out of these letters?

# A T L E P N S

Answers:

### Artworks created by our students for the CareTech Arts and Crafts competition:

### DID YOU KNOW?

#### Teachers' fun fact:

Believe it or not, There is a jellyfish called 'Turritopsis Dohrnii' that can live forever.

#### Student Fun Fact:

A crocodile cannot stick its tongue out. (Do crocodiles even have tongues? Do any animals stick their tongues out deliberately?)

#### World news this week:

This week 6 planets have aligned in the night sky.

These were Venus, Mars, Jupiter, Saturn, Neptune and Uranus.
