Parents/Carers Afternoon and BBQ - 15th July 2024

On 15th July 24, we invited the parents and carers of our students into school to review the progress their child has made that term towards their individual targets in each subject area. Parents and carers had the opportunity to see some of the fantastic work their children have completed and to celebrate their child's successes alongside us, encouraging our students to feel a sense of pride in their own achievements and develop their self-belief and confidence. We know that our students learn best when they know that their parents and carers are also invested in their education, and our Parents/Carers afternoons are a perfect opportunity for parents and carers to understand what their child is working towards in each subject area and see their targets for the next term.

Following their child's reviews, this term parents and carers were invited to join us for a BBQ with a Hawaiian theme!
