## Description of trip:

This week Flamingo's ramped up the festiveness and attended a Christmas pantomime at the local Corn Exchange. The Pantomime was 'Cinderella', which is our teacher's favourite fairy tale. The characters were great and their outfits were all so sparkly. But, our favourite character was Buttons, because he was just so silly and got all of the audience going. We were up dancing, singing and wiggling our bum! We had to look after his teddy bear, named Ted (very original) and shout every time anyone went near him. It got very loud at times, but so much fun. Thank you for our trip to the Pantomime. Merry Christmas everyone!!!! See you in 2025.
