

Outcomes:

- To Explore and learn.
- Behave well in public.
- Health and wellbeing.
- Turn taking.
- Team building.

Description of trip: This week Flamingo's went to The Hudson to play Badminton. We have played Badminton before, so it was nice to see if our skills had improved since we last played. We have been doing pickle ball in PE, so this has helped us to improve. Our teacher noticed a marked improvement in our skills. We practised our serves and getting them in. Trickier than it sounds. Then we challenged our teachers to a match. It ended 2-1 to the pupils. Better luck next time teachers. We then enjoyed our snack before returning back to Sessions. Next week we are going to Laser Tag. Let's see if the pupils or the teachers win.

Quotes:

"That was in!"

"OUT!!!!!"

"11-5 to me"
