Description of trip: This week Flamingos went to Scalextric at Spalding. The room consisted of 8 well known tracks from around the world. These included Donington, Cadwell and a Sydney track (which was the only one that we had to drive around in the opposite way) that's because it is down under! We each had a colour car and we raced each track for eight minutes. The winner of each track was the one that completed the most laps of the track. Our teaching assistant was amazing and was a close 2nd to one of the pupils. Our favourite track was Donington as it had really long laps and there were loads of straights. Think if we had a pound for every time one pupil crashed, we would have been a millionaire. A fun day had by all. Thank you Cambian!
