

Outcomes:

- To Explore and learn.
- Behave well in public.
- Enjoy a reward trip.

Description of trip: Our last trip before half term was a great success. We enjoyed a reward trip going bowling at Strikes. We have had a great term with regards to behaviour and showed some great work ethic. At Strikes we enjoyed spending time with our peers in a fun environment and making plans for the half term. We had a lovely treat at McDonald's and chatted about the best bits this term. I think we are all ready for a lovely restful half term. Thank you Flamingos teachers and pupils we have had a lovely half term.
