

Red Nose Day Fundraising Afternoon

Next Friday on 21st March, we would like to invite parents and carers onsite to participate in our Red Nose Day Fundraising Afternoon. All pupils and staff will have the opportunity to wear red/their own clothes. We will have a range of fundraising activities going on in the afternoon such as a Bake Sale, Red Nose Day Quiz and Crafts, I'm a Teacher Get Me Out of Here, and a Red Nose Day Recycle. All proceeds from our fundraiser will go towards supporting the 40-year anniversary of Red Nose Day.

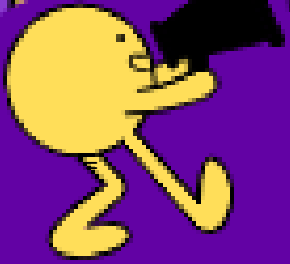

Charity Collection

Our primary class are currently collecting tins of food to send to the Kidderminster Foodbank. Our younger pupils are recognising the importance of helping those around them, as well as in the community. Kidderminster Foodbank provides essential support to the community through helping prevent crime, and mental health problems. If you would like to donate to support this cause then please send any in date food tins.

WEEKLY

WHAT'S HAPPENING AT CNES?

Dates

17th March – Dyslexia Awareness Assembly

19th March – Y10 PCSO Drugs and Alcohol Assembly

19th March – Careers Guest Speaker

20th March – International Day of Happiness

21st March – Red Nose Day Afternoon Fundraiser

Duckling Diaries

This week we have seen our ducklings grow in size and in confidence. Pupils and staff put in a range of names last week for the ducklings. In Monday's assembly, the names were put into a Random Name Picker. The names given to the ducklings are Maple, Dexter, Donald and Quacker.

All pupils and staff have thoroughly enjoyed having the ducklings on site, and we were sad to see them leave on Friday

Careers Guest Speaker

This week pupils were spoken to by Luke – a Golf Professional.

Pupils asked a range of challenging questions and showed enthusiasm to learn more about a career in this field.

Primary Iron Giant Project

This term, the primary class has been studying "The Iron Man" by Ted Hughes for English. In their creative lessons, they have been working on creating their own versions of the Iron Man, and the results are absolutely amazing. Kudos to the primary class for their fantastic work!
