

Comic Relief 2025

Staff and Pupils at Hartlepool school raised awareness and supported Comic Relief 2025. Reading is a big part of everyday life here at Cambian and this was a fun way to incorporate reading into our day in a different way.

'A joke a day keeps the gloom away' Throughout the day staff and pupils completed quizzes and puzzles while also being challenged to share the first joke they learnt or can remember being told!! Here are some of the highlights

*Why can't the bike stand up?
'It was two tired'*

*Why did the skeleton
cross the road?
'To get to the Body
Shop'*

*Why don't penguins fly?
'Because they are a chocolate
biscuit'*

*Why did the Hedgehog cross the road?
'To see its flat mate'*

*Guess who I seen today?
'Everyone I looked at'*

Not quite the apollo theatre or the big stage but pupils were encouraged to read out loud their joke to a small audience, its fair to say, laughter was in the air.....
