

**Outcomes:**

Working together.

Creating something for themselves.

Concentrating skills.

Non-verbal self-expression

Therapeutic activity. It can help reduce stress, improve focus, and boost mental well-being as it encourages mindfulness and calmness.

Improvement for fine motor skills, attention to detail, and an understanding of colour theory and design. It's a fun way to learn new artistic techniques.

**Doodles Pottery Painting 28/03/25**

Learners took part in Pottery Painting at Doodles, Baytree Garden Centre.

**Description of trip:**

This week the pupils reward trip was Pottery Painting at Doodles in Spalding. Each Pupil had the chance to pick their own item to paint and decided on their paint colours. After this was completed the group walked around the garden centre and had a look at some of the pets they had!
