

Easter Fun at Spring Hill

What better way to celebrate the end of another successful term than enjoy another wonderful Spring Hill Showcase Day?!

Students, staff and parents thoroughly enjoyed the opportunity to speak to teachers and support staff and take a first hand look at the work their child had produced over the spring term.

As ever, the Showcase Days provided parents/carers with a great opportunity to network and, of course, purchase items the students have made in their enterprise and catering lessons – there were certainly some luck winners on our notorious raffle!
