

Outcomes:

- To Explore and learn.
- Behave well in public.
- Celebrate the end of term.

Description of trip: Today is our last trip before the Easter holidays, so what better way to kick off the holidays, than to go to Big Sky for some fun. As soon as we got there we kicked off our shoes and headed for the soft play area, diving into the ball pit. It was nice to spend some time with friends and enjoy each other's company. A couple of us wanted to challenge ourselves on the climbing wall. Honing our skills from last week. The lady on the climbing wall was really impressed with our climbing skills. Others played in the make-believe area and became work men, in particular plumbers. We enjoyed a game of hide and seek. Our teachers called us over to the café to choose a tasty treat. There was so much to choose. Most of us chose the chocolate cake and it was the best chocolate cake served this side of Peterborough! Thank you Cambian for a lovely day trip out and Happy Easter!!!!

Quotes:

"I touched the top!"

"98, 99, 100, coming ready or not!"

"That is amazing chocolate cake"
