Personal Achievements

- One student's results in his GCSE's have allowed him to move to Leeds College where he will continue his studies in Level 2 Public Uniformed Services.
- Another student's results in his GCSE's have allowed him to move to Askham Bryan College where he will continue his studies in the Leeds Utd. FC Level 2 Sports course.
- One student's results have allowed him to move to York College to pursue his interest in Food and Cooking where he has enrolled onto a Level 2 Catering course.
- Another student's results have allowed him to move to Bishop Burton to pursue an apprenticeship as a General Farm Worker.
- One student's results have allowed him to move to Darlington College to pursue a course in Multi Skills in construction.
- Another student's results have allowed her to move back to her home county to supported living; she is due to attend Grantham College to start her foundation course Progression in Preparing for Adulthood.
- One student moved on to York College where he will be enjoying a foundation course before specialising in a vocational subject.
- Another student has also secured paid work which he undertakes in between studies. He remains living at Spring Hill Beeches Cottage whilst studying and working.

All students who left the school this year, did so with a wealth of accredited qualifications. Levels of resilience and Independence improved significantly from starting points and all leavers transitioned on to further education.
