### LOOKING TO THE FUTURE

A student who joined the school in Yr 7 having moved into the area struggled with his confidence and emotions during a difficult and unsettling time in his life across KS3. As he progressed into Key Stage 4 he began to find his feet but still struggled academically however with determination and careful guidance he today opened his results to find 100% passes in all of his 12 subjects including passes in GCSE Maths and English and he's now looking forward to the next step at College.

Out of those pupils who completed the full two years of Key Stage 4 100% left with a Maths and English qualification 100% left with a GCSE in Maths 85% left with a GCSE in English 100% left with GCSE plus 6 other BTEC Qualifications 80% of Yr 11 leavers left with at least 4 different Qualifications / Awards 80% of Yr 11 leavers left with a GCSE in Maths 100% of LAC in Year 11 left with a GCSE in Maths and English. All year 11 leavers have an identified Post 16 Pathway into college or Training.
