A message from Mel

Happy new year to you all!!!

I just want to thank you all for your ongoing hard work and support. The efforts made during the Christmas festivities by all staff were magical and completely focused on the experiences and memory making of our young people. Everything was special, with father Christmas and his elves in the grotto, goodie bags during Christmas dinner and all the Christmas jumpers.

We have had our recent care assurance visit published by Ofsted and this has been shared to you all. Please take the time to read this report and look at the requirements and recommendations. We can all work together to ensure these are complete when we have our next full inspection.

The schools DFE action plan has been accepted and we are continuing to work towards these outcomes.

I wanted to provide you all of an update of where we are in regards to incident reviews. This has significantly improved over the last couple of months and I wish to thank you all for all of your support in achieving this. This supports the care of our young people and allows us to review trends and patterns in real time to enhance outcomes and achievements of the young people.

There are some new staff members at TFS. Please all support me in welcoming our new members of the team Sophia Dickson deputy head of education and Shiblu Saifur Home manager for waters end and Samantha Fry - animal assistant. We also have Tim Hunt teacher joining us after the February half term.
