

Great Dunmow School
ADMISSIONS POLICY

Legal Status:

- Complies with Part 6, Paragraph 24 (3) (a) of The Education (Independent School Standards Compliance Record) (England) (Amendment) Regulations

Applies to:

- the whole school inclusive of activities outside of the normal school hours;
- all staff (teaching and support staff), the proprietor and volunteers working in the school.

Other relevant documents:

- Equality and Diversity Policy
- Special Educational Needs and Disability Act (SENDA)
- Attendance Policy
- Inclusion Policy

Availability:

This policy is made available to parents, guardians, carers, staff and pupils from the school office and website

Monitoring and Review:

- This policy will be subject to continuous monitoring, refinement and audit by the Executive Headteacher.
- The Proprietor undertakes an annual review of this policy and of the efficiency with which the related duties have been discharged, by no later than one year from the date shown below, or earlier if changes in legislation, regulatory requirements or best practice guidelines so require.

Date: February 2024

Tonia Lewis
Executive Headteacher

Admission Policy

At Great Dunmow School we are registered to care for and educate children from the age of 11 to 18 covering Key Stages 3-5. No child is refused entry on the grounds of race, ethnicity, gender, religion or sexual orientation. We require confirmation of the date of birth of a child.

Pupil Profile

- Mixed gender aged 11 to 19
- Has an EHCP/SEN with a primary diagnosis of SEMH difficulties rather than another diagnosis such as ASD
- Without an EHCP who have ongoing presentation of SEMH difficulties characterised by challenging behaviours
- May have other associated difficulties
- Have been excluded for mainstream settings or have had several unsuccessful educational placements

Great Dunmow School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.

- Has gaps in learning
- Have been previous negative experiences of school
- Are disengaged or exhibit poor learning behaviours
- May have difficulties forming relationships with adults and peers
- Have difficulty managing in large groups and being taught in a traditional manner
- May need support to regulate emotions

A student's length of stay in placement is dependent on many factors, predominantly relating to the individual's educational ability, recovery period, emotional literacy and local authority aspirations.

As a result of trauma related behaviour, the majority of students have significant gaps in their learning due to a history of breakdowns in educational placements and have often experienced a variety of different settings because of this. Behaviours can vary amongst individuals; these include but are not limited to a combination of the following:

- Violent and Aggressive behaviour
- Attachment disorder
- ASC
- ADHD
- Sexual disinhibition
- Emotional instability
- Hyper Vigilance
- Self-Harm
- Dissociative States
- Lack of empathy and trust
- Low sense of safety and security
- Cognitive skills unmatched to current age

Internal – placement from a Cambian Children's Home

Integral to the placement of a child in a Cambian Children's home is the provision of education. It is incumbent on us to ensure that the educational placement in being fit for purpose is bespoke to the needs of the child. The decision for a child to attend our school is as an outcome of a multi-disciplinary agreement whereby a transition plan is agreed. Fundamental to this process is the quality of communication from the time when the Commissioning Manager makes the initial contact with the care and education colleagues' right through to the child being admitted on to the school roll. High quality communication and transparency between the school and the children's home is essential to this process.

External – a referral is received from the Local Authority

In line with the Special Education Needs Code of Practice a multi-disciplinary decision is reached whereby the child with parents and/or guardians and/or carers visits the school. If it is agreed that the school is, in principle, the most appropriate educational setting for the child then a transition plan is implemented. Parents or guardians/carers will also be asked to provide the school with any further information which they feel will enable us to provide their child with the best possible education. If agreed a place will be offered based on availability and in accordance with the *Code of Practice for Schools, Disability Discrimination Act 1995 Part 4* and Schedule 10 of the Equality Act 2010. For more details please see the *Prospectus*.

Special Educational Needs

Great Dunmow School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.

Where a child who has a Statement of Special Educational Needs joins our school, we will always consult with parents/guardians/carers and, where appropriate, the Local Authority to ensure that the required curriculum is provided for as set out in either the *Statement* or the *Education, Health and Care Plan* (EHCP) including the full National Curriculum if this is specified. We will also co-operate with the Local Authority to ensure that relevant reviews, including the annual review, are carried out as required by regulation and best practice. The school will make reasonable adjustments to meet the needs of children with a statement of special educational needs. Any additional services that are needed to meet the requirements of the Statement or additional services such as dyslexic tuition will be subject to charge. This will be either directly to the parents/guardians/carers, or the Local Authority if they are responsible for the fees and our school is named in Part 4 of *The Statement* or the relevant section of the EHCP. Our school has a policy and procedures for children with *Special Educational Needs and Disabilities* (SEND) in line with the *SEN Code of Practice* (July 2014)

English as an Additional Language

Our school will make provision for children who have English as an additional language, (EAL) in the assessment procedure. We do not regard children as having a 'learning difficulty' solely because the 'language or medium of communication of the home is different from the language in which he or she is or will be taught' (Education Act 1996, Section 312(1), (2) and (3)). However, pupils for whom English is an additional language (EAL) will be provided with appropriate support provided they meet our School Academic criteria. They will be assessed to gauge the support that may be needed in order to ensure equal access to the curriculum along with all other aspects of life at our school. Our school has a policy and procedures for students requiring *English as an Additional Language* (EAL).

Admissions Policy Appendix

It should be recognised that the young person may be ambivalent at best about the school and that because of this they may well not take in all the information given – to this end, further information will need to be offered at a later date. Young people may be referred to Cambian Group at any time during the academic year in one of two ways:-

- Via Cambian Group
- Via a local authority

As much information as possible will be sought at the point of referral to inform assessment as to whether the referral is appropriate and as to whether the school is able to meet the needs of the young person. Information sought should include:

- young person's name;
- age and date of birth;
- gender;
- ethnic background, cultural needs, religious needs/persuasion;
- health needs & history;
- educational history, needs, current provision, support received & required including whether there is a statement of special educational needs proposed educational plan;
- risk issues, level of supervision required, establish if any history of self-harm/suicide, history of volatile and aggressive behaviour, child protection issues, risks presented by third parties;
- expectations and requirements sought by the placing authority to meet the young person's needs;
- the name, address and telephone number of the young person's case accountable social worker (if applicable);
- the young person's legal status;
- the young person's and their family's social history;
- any special issues e.g., restriction of contact, child protection and
- criminal history (if any) and whether any existing criminal proceedings are outstanding.

Great Dunmow School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.

The information provided will assist the Executive Headteacher in his/her assessment as to whether a school placement is viable and appropriate. The Executive Headteacher will consider whether the school has sufficient staffing in terms of number and experience to manage such admission both in terms of the individual young person's needs and respect of the potential impact that the admission may have on existing group dynamics. Should a referral be accepted for admission, the school will notify the company's finance department as soon as practically possible in order that the appropriate contract arrangements can be administered with the relevant placing authority. Measures of control, discipline & restraint and the requirement to search used by the school are made clear to the placing authority, the young person and parents/carer before the admission.

Admission

The young person's details need to be entered into the admissions register and accompanying information filed. The young person will be shown around the school and introduced to the staff and other young people.

Induction/ Transition

An individual timetable will be discussed, taking into account of the young person's age, aptitude and ability. Initial assessments will be carried out within the first week from school admission and further assessments will be completed to understand the YP and their individual needs. All YPs aim to be reintegrated full time into Great Dunmow School within a 2-week transition period, for some YPs this might be quicker, for others with more complex needs, this may take longer.

We need to ensure that the YP needs are being supported and we are not creating more barriers to learning by pushing a YP too fast or not being able to provide the right support due issues such as lack of EHCP support or an EHCP not being in place in the first place. We need to also consider the fact the YP may have undiagnosed LDD needs that educational establishments in the past have failed to pick up and so we must ensure the correct assessment and support is put in place positively.

First impressions count and the admission of the young person into our school is one of the key elements in determining the success of the school placements.

Reintegration to other educational establishments

Where possible we intend for young people to be discharged in a planned and purposeful way. This may be to a mainstream school, college, or other educational establishment. The move should, wherever possible, be promoted as positive, progressive and in the young person's best interest. The Executive Headteacher may at times support with dual role of a young person depending on circumstances, this includes moving to mainstream or college. A discharge/transfer form will be sent out to the Finance Department. Any relevant documentation will be forwarded to the new establishment.

Great Dunmow School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. It is our aim that all pupils fulfil their potential.
