

# Primary 2

Always an exciting hub of activity, this week Primary 2 have been working on several subjects.

In sensory explorers this week we were blindfolded and had to use our sense of touch and smell to work out what was in the trays. We made Mrs Judd promise that there was nothing sticky and slimy in there!

In English we have started our new topic based on adventure stories! In this wordy warm up we had to make as many words as we could from the word adventure in 3 minutes!

In our social thinking sessions, we have been watching Disney short clips and seeing what behaviours we feel are expected and unexpected.

On Thursday we celebrated 80 years since D Day. We have been studying World War 2 over the past term and were very interested in learning how D Day happened and where. We also had a few tips and tricks that could have been used! We were also incredibly shocked that 'fake news' existed in 1944 – we thought it had only been created for social media.
