

## Outcomes:

- To Explore and learn.
- Behave well in public.
- Team bonding.
- Work off some excess energy!

Description of trip: This week Flamingo's visited Big Sky! It is huge and screams fun as soon as you walk through the door. We couldn't decide what to do first, but headed straight for the lazer tag gauntlet. Next up was the soft play area. We really enjoyed playing in the ball pit and launching balls at each other. Each pupil had a favourite area. One of us enjoyed the make-believe area, where you could be a builder in one area and a doctor in the other. One pupil enjoyed the climbing wall and managed to get to the top. One pupil enjoyed the VALO jump air game, which was like a trampoline and your avatar was on a game playing the game. It was one of our teacher's birthdays and as a treat she bought us jam doughnuts. We usually do the jam doughnut challenge, where you can't lick your lips, but we didn't today. Next week we're off to Adventureland in Spalding.

## Quotes:

"It smells of fun in here!"

"They've got a climbing wall"

"Let's go in the ball pit"
