

Primary 2

We have had a busy week in Primary 2. We have been spending a lot of time out in the sun enjoying this lovely weather and always reminding everyone; especially Mrs Judd that we should be wearing sun cream! We also started our own tea bar in class.

We started off our week by having a dip in the school pool and because the

outdoor temperature is slightly higher we really enjoyed this! However, our school pool wasn't available on Tuesday so we went to a LOVELY indoor pool up the road and then finished the afternoon off by making some pasta in sensory explorers.

Thursday, we attended The Hampshire School Games, this was a massive thing for all of us as we were joining A LOT of other schools from Hampshire. We were all nervous in our own way but we did fantastically and enjoyed playing KIN ball, Quidditch and Water Polo!

The Hampshire School Games is a series of activities, events and competitions delivered through Hampshire and Isle of Wight School Games Organisers and Energise Me. It gives all local schools the opportunity to take part, regardless of ability.

The Games inspires young people to be physically active for life through positive experiences of daily activity and competition.

The School Games is about more than competition. It's about getting active, having fun, and supporting the wider development of young people.
