

Leaver's Assembly – June 2024

Today, we gather with mixed emotions as we celebrate and bid farewell to our Year 11 and 13 students. It's a moment filled with pride, nostalgia, and excitement.

We are immensely proud of each and every one of you. Over the years, we have watched you grow, learn, and transform into the remarkable young people you are today. Your successes and progress have been a testament to your hard work, determination, and resilience. We celebrate every achievement, big and small, knowing that you have put in your best effort.

However, as we stand here today, we can't help but feel a sense of sadness. Sadness that comes from knowing we will no longer see your familiar faces on a daily basis, hear your laughter around the building, or witness your daily interactions that make our school a vibrant and dynamic place. Your presence will be missed by all of us.

Yet, amidst this sadness, there is a profound sense of excitement.

Excitement for the new journeys you are about to embark on. Whether you are continuing your education, entering the workforce, or pursuing other passions, we know that you are prepared to face the challenges and seize the opportunities that lie ahead. The next steps in your journey are filled with endless possibilities, and we look forward to hearing about the amazing things you will achieve.

As you leave our school, remember the values and lessons you have learned here. Carry them with you as you navigate the future. Know that you have a community here that supports you, believes in you, and will always be here for you.

Congratulations, to you all.

We are sad to see you go, but we celebrate all you have accomplished and eagerly await the stories of your future successes.
