Personal Achievements

Student A has worked hard throughout the year to achieve a high grade in AS Level English Literature that will allow her to complete the full A-Level this coming year.

Looking to the Future

Five students have moved on to their chosen college placements to work towards their career goals.

Student B's grades have now seen him move on to a placement to follow his chosen career path in construction.

Student C has moved in to a new placement to allow her to develop her independence as well as move on to college.
