

Outcomes:

- To Explore and learn.
- Behave well in public.
- Team bonding.

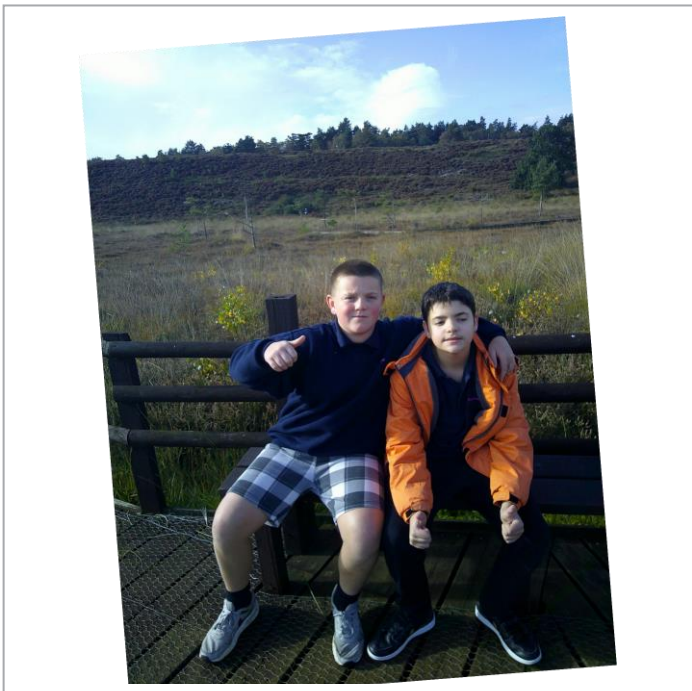

Description of trip: Today Flamingo's went to Dersingham Bog. It was so lovely after days of rain to get out into the sunshine. Straight away the boys were enjoying the freedom of being outside. They were tree climbing and running around. We enjoyed an orange club biscuit whilst admiring the view. Then the boys wanted a competition running up and down the steps. We enjoyed a lovely scenic walk back to the car before driving to Sandringham. Whilst at Sandringham the boys played lovely on the climbing apparatus. They played tag and met a cute little boy named Charlie who was three who wanted to join in with them. Unfortunately, our trip took an abrupt end when one boy fell and ended up going to minor injuries. Nothing broken though, just soft tissue damage. The teacher joked, saying "what you'll do to avoid key read!" Next week we're off to the pumpkin patch.

Quotes:

"I love climbing trees"

"I did that in 16 seconds"

"It is so beautiful here"

Everyone has a personal best
