

# Hello Yellow Day

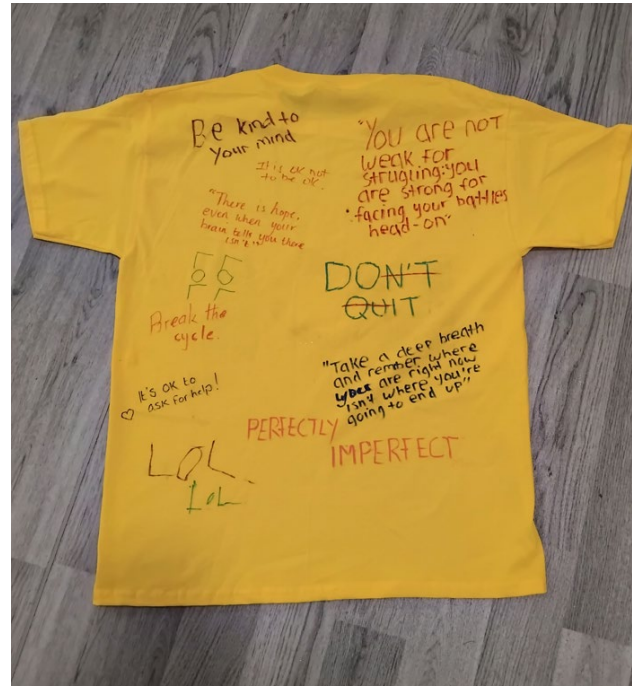

## For Mental Health Awareness Day

Here at Dunbroch School we held a Hello Yellow Day for Mental Health Awareness Day, the meaning of this day is to raise awareness of mental health issues around the world and to mobilise efforts in support of mental health.

Everyone at the school joined in by dressing in Yellow or wearing a yellow fancy dress costume, some staff members wore matching minion outfits and one wore an inflatable Pikachu costume which the students absolutely LOVED! All of the students wanted to try the outfit on which brought a smile to all.

The students were given yellow tops to decorate and joined in with some fun activities, Cierran our P.E teacher had come up with an idea for the students and staff to join in with human connect 4, some of the site workers also joined and they all had such a fun time.

Overall, our

## Hello Yellow Day

was a huge success and we all enjoyed joining in and most of all putting big smiles on the faces of our students.
