Description of trip: This week Flamingo's attended a reward trip at Hollywood Bowl. We played pitch and putt. We had to choose the colour golf ball we wanted and the level we wanted to play at. We chose to start at Rookie level so that everyone could take part. I think the students were better than the staff. We took it in turns and each had a go at each hole. The best was a 2 and the worst an 11. Part way round we stopped and had a snack. Our teaching assistant treated us to a KitKat each. We then continued around the nine holes. Some were harder than others. The last hole was the easiest and everyone got a whole in one. We really enjoyed this trip and will definitely be back to try out the other levels at pitch and putt.

## Quotes:

"Please can I have a purple golf ball?"

"This is so much fun!"

"The winner is..."
