

SAM'S D OF E GOLD RESIDENTIAL TRIP

From October 28th to November 1st, Sam attended the Mendip Adventure Centre to complete his Duke of Edinburgh (DofE) Gold Residential element. During his stay, he participated in various activities, including archery, kayaking, rifle shooting, climbing, and abseiling. SW had a fantastic time, engaged well with every challenge and made some new friends. We are really proud of how he managed the week and looking forward to supporting the next stages of his Duke of Edinburgh Gold award!
