

Outcomes:

1. Appropriate behaviour in public
2. Listening and following instructions from staff
3. Safe behaviour while playing
4. Explore and better our motor skills
5. Team building skills

Description of trip:

Today the early years class took a trip to safari play. All the class enjoyed their time running around playing in the soft play area role playing and learning to play together. The children played both independently and together working on team building, while playing mums and dads.

They also found a game where u had to find all the buttons that light up in your chosen courol to earn points and played this against each other and as teams. They showed off there amazing imagination and working together to make as many points as possible in the game.

Quotes:

Look at how many points I have got.

Watch me on this slide

I'm going to win the race

Everyone has a personal best
