Introduction

It is the responsibility of the head of centre to ensure that Cambian Wing College has a written conflicts of interest policy for inspection that must be reviewed and updated annually. This policy confirms that Cambian Wing College:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how Cambian Wing College manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to collect any declaration of interest from all core, education and wellbeing staff (and not residential care staff) to identify and manage any potential conflicts of interest.

Declaration process

1. A copy of the declaration of interest form is sent electronically to all core, education and wellbeing staff by the end of October each academic year.
2. Completed forms must be returned to the Exams Officer by the end of November each academic year. If the completed form is not received the Exams Officer will provide a further hard copy of the form directly to the staff member.
3. If a new member of staff is appointed, the declaration of interest form should be provided to them as part of the onboarding process and the Exams Officer will follow up with them to obtain the completed form as soon as possible after they start working for the Centre.

Managing conflicts of interest

1. A conflicts of Interest log is maintained and any potential conflict declared by centre staff is centrally recorded on this log.
2. The relevant awarding body/bodies is/are informed (where required by the nature of the conflict) of specific conflicts of interest /centre staff declarations before the published deadline for entries for each examination series by identifying and following the individual awarding body's administrative processes.
3. The agreed measures/protocols taken/put in place to mitigate any potential risk to the integrity of the qualifications affected are recorded on the log and the affected member of staff informed of these measures/protocols.
